TROUBLE SHOOTING

- If you are notified when creating your profile that you have an "Unrecognized Email", please press cancel and try again to proceed, **being sure to use your email you used to register for ALLDocs 2021**. If you are still having access issues, please email support@alldocsrocks.com and **confirm your first & last name**, as well as **what email address** you are attempting to use when signing in.
- If you did not provide your guest's email at time of registration OR inputted your email for your guest initially, please send along your guests' email to support@alldocsrocks.com to have them added to the mobile app – all guest information will be housed here as well and it is important that all ALLDocs attendees have app access.

Oustanding issues with app download can also be resolved onsite on Sunday, October 17th
