Preparations

Climate

White Sulphur Springs weather in early September averages a high temperature of 78°F and a low temperature of 56°F.

Time Considerations

Please note that White Sulphur Springs is on Eastern Daylight Time.

Badge & Guest Policy

A friendly reminder that only individuals formally registered for ALLDocs 2023 may attend any sponsored meetings or functions throughout the week. Your event badge will be provided at registration and must be worn to all functions. Individuals without a name badge will not be permitted entrance.

Dress & Attire

Note this historic location has strict attire expectations for all guests. Please review the [attached resort recommendations](#) in detail & pack accordingly.

Attire for all member meeting functions including the sponsor fair is business casual. You also may wish to bring a sweater or jacket to the meeting, as meeting room temperatures tend to fluctuate.

For the Welcome Reception, Resort Evening Casual is preferred. Men can plan to wear pants or nice jeans with a polo or other collared shirt. T-shirts, sleeveless shirts and shorts are not typically acceptable. Women can choose a casual dress or pair a blouse with a nice pair of jeans, slacks, or a skirt. You may also wish to bring a light jacket as their may be a chill in the air as the evening temperatures drop.

For the On Property Dinner, Nice Mountain Casual is recommended for the cozy mountain lodge atmosphere. You may wish to bring a light jacket as this is an outdoor venue & the nighttime temperatures drop. There is uneven terrain so best to leave your stilettos behind this evening.

For the Thursday evening Gala event, our attire recommendation is Black & White! This is a semi-formal function & jackets are required for men. For women, cocktail attire is requested.

Continuing Education

For member's interested in gaining CE at the annual meeting, we are proud to be offering 13-15 credits this year. Be sure to come to the meeting with your OE Tracker App downloaded & ready for scanning during sessions.
